STATEMENT OF SUBSTANCE OF INTERVIEW UNDER C.F.R. § 1.133(b)

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants thank Examiner Susan Berman for the interview held on January 6, 2006, and hereby submit a recordation of the substance of the interview simultaneously with the response to the Office Action dated February 6, 2006.

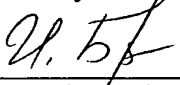

The Summary of Interview accurately reflects the substance of the interview in that the Applicant's representative in the interview on January 6, 2006 pointed out that the provisional type double patenting rejection was the only issue presented by the final rejection mailed 08/25/05 and that the claims should be allowed without filing of a Terminal Disclaimer. Examiner Berman agreed to review the issue.

The Summary of Interview is inaccurate in that the agreement with respect to the claims was not reached, as no claims were discussed during the interview.

No fee is believed to be due with this submission. Nevertheless, pursuant to 37 C.F.R. § 1.136 (a)(3), the Commissioner is authorized to charge all required fees, fees under 37 C.F.R. § 1.17 and all required extension of time fees, or credit any overpayment, to Jones Day U.S. Deposit Account No. 503013 (Attorney Docket No. 8111-034-999)

Respectfully submitted,

Date: April 5, 2006
